Kiwanis Honors Top Ten

BY MARGARET E. O'KELLEY

Each year the Flat Rock Kiwanis honor the Top Ten Graduates from Airport, Flat Rock, and Huron High Schools. A banquet is held in their honor during which the graduates are presented with Medals of Merit.

This year the event was held on May 12th at the Elks Lodge. A sumptuous meal was served and each guest was honored individually. As each graduate's name was called, the Medals were presented by Kiwanis President David Grunow, Esq. and their respective Principals: Rod Hopper, Huron High; Mary Ann Fox, Flat Rock High; and Robert Matkovic, Airport High.

The Invocation was delivered by the Reverend Evans Bently and the closing song, God Bless America, was led by Tim Hammer.

The Top Ten are listed as follows:

Airport High School — Christopher Williams, Valedictorian; Amy Jo Hollister, Salutatorian; Ryan Heck, Stephanie Miller, Rachel Calkins, Emily Rollet, Anastasia Eby, David Jones, Andrea Sisk and Nicole Wickenheiser.

Flat Rock High School — Rachel Haynes, Valedictorian; Ashly Long, Salutatorian; Anthony Walker, Anthony VanHart, Kathryn Nyholm, Andrea Aguilera, Joshua Lushnet, Christine Berry, Megan Karoly, and Larisa Badillo.

Huron High School — Emily Petraska, Valedictorian; Nada Abro, Salutatorian; Ashly Wright, Tenecka Novak, Rahn Mathison, Gregory Baker, Nicholas Camilleri, Jessica Goddard, Amanda Noxon and Heidi Anderson.

SUMMIT ACADEMY STUDENTS TAKE TOP HONORS

What a busy, rewarding year it has been for students and staff at Summit Academy Schools.

Spencer Gill, a 7th grade student from Summit Academy Middle School, won first place March 31, 2004 in the Reader's Digest National Word Power Challenge in Orlando Florida. Spencer received a $25,000 scholarship as a result of his victory, competing with students from across the country in Grades 4-8. The staff and students from four of the Summit Academy Schools are so proud of Spencer and his accomplishment. Upon hearing the announcement at Summit Academy Middle School, the students were filled with enthusiasm and joy for their peer.

Spencer has been a student at Summit Academy since kindergarten.

The kickoff for this year's challenge was in early August with thousands of U.S. school participating. Each school's grade level winners took a written qualifying test with the top 100 scores going to the state competition. Spencer won Michigan's statewide competition on February 27.

The Reader's Digest National Word Power Challenge provided an all-expenses paid trip to the national championship. NBC's "Today Show" weatherman and feature reporter, Al Roker, served as "Quiz Master" for the finals, which aired on NBC stations nationwide.

MATH COUNTS COMPETITION

The Southeastern Chapter of the Michigan Society of Professional Engineers sponsored a MATH COUNTS competition this year. The competition took place on February 19, 2004 at the Woodhaven Community Center and was for 6th, 7th, and 8th grade students in Wayne County. There were 11 schools and 75 students participating this year. The competition promotes teamwork and fun doing math!!

There were 3 rounds during the competition: Sprint Round, Target Round and Team Round. The top 10 students after these rounds then participated in a count-down round, a fast paced round to determine the winners of the competition.

One participant from Summit Academy Middle School, Ben Topping, worked his way up from 6th to 3rd place!

"We're very excited about this bright, sincere and humble young man and his parents, who so enthusiastically represent not only those students and families who choose Summit Academy, but charter public schools all across this great state," said Dan Quisenberry, president of the Michigan Association of Public School Academies.

Sho' Nuff

Larry E. O'Kelley

This time of the year, the young people of a senior age are involved in their high school graduation. For twelve years they have been waiting for this day and now that it is upon them I'm sure they have mixed feelings. After all, for most of their memory they have been in school; interrupted only by the all-too-brief summer breaks.

Lately I have been thinking of those young people in our high schools, particularly Huron High, and I have a few words of advice for you.

First, you will absolutely get hooked on that tune they play at every graduation. You know the one. The one that goes Da Da Da Da Da Dahhh, Da Da Da Da Da Dahhh. Yeah, that one. You will be humming the tune during rehearsal and for some time after the graduation. You'll hum it at the most unusual times and it sticks with you like glue. However, not to worry—it does pass. When will it come back to you? When you watch your own children at their graduation. Then again when your grandchildren graduate. That tune is immortal.

For most of you, even for the coolest of the cool, there will be some sadness and regrets. When you were in elementary school you never thought about the day of your graduation. Yeah, maybe you and your parents went to graduation parties and you had that sibling or cousin graduating—but you didn't connect that someday *you* would be graduating. Most of you liked school and it was just the thing you were expected to do.

That begins to change in the later junior high years. You start thinking about these things and universally you can't wait to get to it. Even during your freshman and sophomore year you say to yourself, "I can't want to get out of this place." Yet when faced with the real moment, you pause, and that is when the sadness hits. You realize that after that tassel is turned on your cap, your life will be changed.

And it's true; your life will be changed. However, not to fear, every generation before you faced the same change and they made their way very nicely in the world. Which sort of brings me to class reunions. For my money, the five-year deals ain't worth the price of the ticket. Not enough water under the bridge. Ten or fifteen is a little better but the topper is the 25th. Wherever you are, you need to go to that one.

The 25th is the magic one because you are in middle life. All those things that you thought were important were in fact trivial. All those people you didn't associate with for whatever reason are now very approachable. Everybody that attends a 25th class reunion knows their common humanity and most have all faced their individual demons and beat them.

At your 25th, you can relax and enjoy, and maybe even the Da Da Da song will come back in your mind.

My last comment is that when you graduate, don't fail to thank your parents, grandparents, guardian or whoever saw to it that everything you needed was provided for you. They were the ones that laid down the path that got you there; and they are to be admired and respected. Honor them.

Good luck, graduates of 2004.

Huron Soccer Association Picnic

6:00 - 8:00 p.m.
At Willow Metro Park/Big Bend Area
***Entry permit required upon admittance**

All players from the fall of 2003 and spring of 2004 seasons are invited to come and have a picnic dinner with us at the park.

There will be face paining, carnival games and a soccer match between the Huron Township Police and the Huron Soccer Coaches... a must see!

Participation awards will also be distributed, so please have a substitute there for you to pick up your child's trophy if you will not be able to come as to not short-change any of our deserving soccer players - thank you.

Unfortunately, there will not be a rain date, so please keep sunshine thoughts in mind. (There will be a pavilion and tent available for shelter).

Mark your calendar and be sure to dress appropriately for the weather - see everybody there!

Automotive Repair Manuals Available at the Library

The Monroe County Library System has the resources to make every car owner a backyard mechanic. Chilton's Total Car Care series, Mitchell Manuals, Motor, and the Clymer Series are all names familiar to professional mechanics, but they're also available from the library to anyone interested in automotive repair.

The Mitchell books date back to 1967 and include wiring diagrams for heating and air conditioning systems. They can be found at the Ellis Reference and Information Center and the Bedford Branch Library. The Library's collection also includes a Mitchell Vintage 2 Series CD set that can be used in the library for vehicles dating back to the 1950s.

For newer cars, the Library's Mitchell on Demand database is available to patrons at the Ellis, Bedford, Carleton, Dorsch and Frenchtown-Dixie branches. This subscription database is constantly updated to include up to the minute changes in vehicle information.

Perhaps the most recognizable name in automotive repair is Chilton Service Manuals. The Library's collection of Chilton's includes the professional technician's editions, covering the repair and maintenance of foreign and domestic cars, light and full-size trucks, vans and SUVs.

Motor Auto repair manuals, available at Bedford and Ellis provide maintenance instructions for trucks, motorcycles, 4-wheelers, riding lawn mowers, personal watercraft, and inboard-outboard engines and is available at Ida, Luna Pier, Bedford, Ellis and Dundee.

The Library's catalog contains a complete listing of automotive and engine repair books in the collection. It can be accessed at www.monroe.lib.mi.us. Search by title or keywords such as engine repair. Of course, library staff are always willing to help patrons find what they're looking for.

Tips from Tina

GET IT OUT

- Gum - harden with an ice cube, then peel it off.
- Coffee stains - Blot fabric with cold water. If stain remains, use a dab of liquid detergent, then rinse with water. If it's still there, apply white vinegar and rinse with water.

DECORATING DILEMMAS:

- Tilting picture. Wrap masking tape around the wire in both sides of the hook to keep it from slipping.
- Moving furniture, place a towel under each leg of a chair, table or desk to make the move easier.
- Uneven curtains, Put unused keys in the bottom hem at equal intervals to add a bit of weight and keep curtains hanging properly.
- Tiny holes in wall, fill with a dab of non-gel toothpaste or paper correction fluid.
- Dusty fabric flowers, pour 1/4 c. of salt into a paper or plastic bag, add flowers, close, and shake vigorously. Remove flowers from the bag over the sink and shake off salt.
